

SCHOOL BOARD VACANCIES

John H. Fish and Geo. W. Mothershead Succeed Wise and Daves

Order Passed to Enforce Payment of Delinquent Taxes

At the regular meeting of the Earlington Board of Education Saturday night Geo. W. Mothershead was elected a member to succeed E. L. Wise. John H. Fish had been previously chosen as the successor of Walter E. Daves. Mr. Fish has also been elected treasurer and has entered upon the duties of his office. Action was taken on the matter of unpaid taxes, the few items that have become delinquent during the past three years. All taxes unpaid on the date of the meeting were presented in lists to the board and all declared delinquent and a resolution was adopted to the effect that an attorney be consulted to take necessary legal action to collect such delinquent taxes, with any necessary costs. Reports from the school were good. The attendance has been somewhat interfered with in December on account of minor illnesses, but the enrollment has been just above the total of last year at this time.

Sunday School

Attendance Record

Ernest Newton, who for some time, has been Secretary of the Wesley Adult Bible Class, of the M. E. Church, South, of this city, has established a new and enviable record. This class is an organized class and keeps an individual record, which shows the days present, church attendance and bibles brought for each member. Mr. Newton has a perfect report for the year 1915 which means he attended his own Sunday school each and every Sunday last year, also carried a Bible each Sunday and attended church services each Sunday during the past year. When considered that there were 140 associated with this class during the year and he was the only one with a perfect report it is all the more remarkable. Who can beat him? What ONE has done others CAN DO.

The ninth episode of the "Broken Coin" will be shown Friday matinee and night.

To enable all to see School Entertainment, show will start at 2 P. M. and be continuous through the evening. No intermissions.

This is the only day we could get this show. Shows start at 2, 3:30, 5, 6:30, 8 and 9:30.

THE IDLE HOUR.

Auction Whist Club

The ladies of the Auction Whist Club spent a most delightful afternoon on last Friday with W. P. Ross, Mesdames Earl Ross, Hillary Spencer and Miss Ada Barnett were charming visitors from Madisonville. Mrs. Rule made the highest score. Mesdames Kline, Ross, Rule and Benson led in the total score. A delicious salad course was served in conclusion of the game.

IN FIVE MINUTES! NO INDIGESTION, GAS OR SOUR, ACID STOMACH

The moment "Pape's Diapepsin" reaches the stomach all distress goes

"Really does" put bad stomach in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is the harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour upset stomach during the day or night. It's the quickest, surest and most harmless stomach regulator in the world.

For Rheumatism

As soon as an attack of Rheumatism begins apply Sloan's Liniment. Don't waste time and suffer unnecessary agony. A few drops of Sloan's Liniment on the affected parts is all you need. The pain goes at once. A grateful sufferer writes:—"I was suffering for three weeks with Chronic Rheumatism and Stiff Neck, although I tried many medicines, they failed, and I was under the care of a doctor. Fortunately I heard of Sloan's Liniment and after using it three or four days am up and well. I am employed at the biggest department store in S. F., where they employ from six to eight hundred hands, and they surely will hear all about Sloan's Liniment.—H. B. Smith, San Francisco, Cal.—Jan. 1916. At all druggists.

Thinks N. Y. is N. G.

Enoch Grehan, the wicked paragon of Lexington Herald, writes:

"Billy Sunday says he can save New York with \$100,000 if the country will subscribe the money, but at that figure it is a question in the minds of many of us who make up the intelligent classes, whether it would not be just as well to keep the \$100,000 and let New York go to hell."

Bad Cold Quickly Broken Up

Mrs. Martha Wilcox, Gowanda, N. Y., writes: "I first used Chamberlain's Cough Remedy about eight years ago. At that time I had a bad cold and coughed most of the time. It proved to be just what I needed. It broke up the cold in a few days, and the cough entirely disappeared. I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms." Obtainable everywhere.

Evening Party

Mr. and Mrs. Rule entertained a few of their friends most delightfully at their attractive home in Ridgeway. Those present were Mesdames Southworth, Ross and Dr. Ross, Messrs. Coyle and Wm. Ross. The guests spent the time most enjoyably playing Auction Whist. A dainty salad course was served at a late hour.

MRS. BRIGGS OF THE POULTRY YARD

At Temple Theatre on Friday Night, Jan. 14—Given by the Pupils of the Earlington Public School

The home talent play "Mrs. Briggs of the Poultry Yard" to be given Friday night under the auspices of the Parents Teachers League, is progressing nicely. Mrs. Briggs of the Poultry Yard is a three act comedy composed of 11 characters, and the High School boys and girls are making a special effort to make Mrs. Briggs their most successful home talent. Any number of pretty choruses are being rehearsed daily, and the young people are showing an unusual interest in making them the hit of the evening. Two choruses by the children, a Bridal Chorus by the little girls, a Bill Posters Chorus by the little boys, and a Japanese Chorus led by Miss Elizabeth Rash. Singing games, then the remainder of Chorus by the High School girls and boys, namely: A Tambourine Chorus with eight girls, in Grecian costume, Black Face Chorus and a Dutch chorus, girls and boys in Dutch costume and Dutch wigs.

The entertainment is being staged by Miss Elizabeth N. Martin, who has already staged two local talents for the school.

A Laudable Enterprise

The Parent-Teacher's League of the John B. Atkinson Memorial School this week is engaged in making the entertainment to be given Friday night at the Temple Theatre a success. The net proceeds of the entertainment goes to the fund now being raised to provide the school with suitable playground apparatus. The ladies cannot be commended too highly for this cooperation and interest. It is expected that by the time spring opens and the ground is dry, to have a playground equipped as good as any in the State. Hear Mrs. Briggs of the Poultry Yard Friday night and aid this worthy cause.

Now Well

"Thedford's Black-Draught is the best all-round medicine I ever used," writes J. A. Steelman, of Pattonville, Texas. "I suffered terribly with liver troubles, and could get no relief. The doctors said I had consumption. I could not work at all. Finally I tried

THEDFORD'S BLACK-DRAUGHT

and to my surprise, I got better, and am to-day as well as any man." Thedford's Black-Draught is a general, cathartic, vegetable liver medicine, that has been regulating irregularities of the liver, stomach and bowels, for over 70 years. Get a package today. Insist on the genuine—Thedford's. E-70

DON'T SCOLD, MOTHER THE CROSS CHILD IS BILIOUS, FEVERISH

Look at tongue! If coated, clean little stomach, liver, bowels,

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any fig syrup.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
